PREFACE

At Arsh Fashions, sustainability is integral to our commitment to responsible business practices. Our Sustainable Sourcing Policy outlines our dedication to procuring materials and services that uphold environmental stewardship, ethical standards, and social responsibility. This policy establishes clear guidelines for sourcing decisions, ensuring that our supply chain aligns with our sustainability goals and industry standards. By implementing this policy, we aim to reduce our environmental footprint, promote fair labor practices, and support sustainable development, thereby reinforcing our position as a leader in ethical and eco-conscious garment production.

SCOPE

This Policy is applicable to following sites and all of its employees, workers, sub-contractors and other stakeholders:

PERFORMANCE REPORTING

Performance reporting for the Sustainable Sourcing Policy will be conducted annually, reviewing our progress on the sustainability initiatives. The report will assess our efforts to partner with environmentally responsible suppliers, reduce carbon emissions, and improve supply chain traceability. It will evaluate compliance with our supplier code of conduct on labor and human rights and detail our advancements in using recycled and biodegradable materials in production.

REVIEW MECHANISM

The Sustainable Sourcing Policy will be reviewed annually by the Sustainability Manager to ensure its effectiveness and alignment with our goals. This process will include evaluating environmental impact metrics, verifying supply chain transparency, and ensuring adherence to ethical labor practices. The review will incorporate audit results, stakeholder feedback, and industry developments to identify and address any gaps.
