INTRODUCTION

At **Clifton Export Pvt. Ltd.**, a unit of Clifton Group we believe that fair compensation is fundamental to human dignity, workforce stability, and sustainable business performance. This Living Wage Policy reflects our commitment to ensuring that all employees receive wages that meet or exceed not only legal minimum requirements but also the basic cost of living in their respective regions.

We recognize that a living wage enables workers and their families to afford essential needs such as food, housing, healthcare, education, and transportation, while allowing for discretionary income and savings. Through this policy, Clifton Export Private Limited seeks to promote decent working conditions, reduce income inequality, and support the well-being of our workforce.

This policy applies to all direct employees and extends our expectations to contractors, suppliers, and business partners, promoting responsible wage practices throughout our value chain.

SCOPE

This policy applies to all employees of Clifton Export Private Limited, including full-time, part-time, contractual, and third-party workers across below given operational site. It also encourages the adoption of fair and living wage practices among our suppliers and service providers, promoting wage equity and decent work standards throughout our supply chain:

POLICY DECLARATION

Clifton Export Private Limited, is committed to paying all employees a fair and equitable wage that reflects the regional cost of living and ensures access to essential needs such as food, housing, healthcare, education, and transportation. Our wage structure is designed to be periodically reviewed and adjusted based on local economic conditions, living cost benchmarks, and inflation trend. This commitment exceeds statutory wage requirements and aligns with international labor standards, reinforcing our dedication to social responsibility, worker well-being, and sustainable business practices.

OBJECTIVES AND TARGETS

The year 2022 serves as the baseline for all fair wage-related targets at Clifton Export Private Limited. This includes commitments to wage equity, living wage alignment, and wage transparency across all employee categories. Progress will be measured against this baseline to ensure continuous improvement and alignment with evolving standards and targets set to be achieved by year 2027.

1. Annual Wage Review and Equity

- Continuously ensure 100% of employees receive wages equal to or above the local living wage benchmark.
- Maintain equitable wage distribution across departments, taking into account performance, gender, role, and background.
- Regularly conduct annual wage assessments to reflect changes in local living costs and support employee well-being.
- Maintain 100% compliance in wage equity audits across all departments.
- Publish an annual Wage Monitoring Report, detailing wage levels, living wage alignment, and equity performance.

2. Employee Satisfaction on Fair Wages

- Foster a culture where employees believe their compensation is fair and commensurate with their contribution.
- Regularly evaluate employee satisfaction on fair wage perception in annual employee surveys by year 2027.
- Complete annual wage reviews for 100% of employees by March each year.

3. Performance-Based Wage Increases

- Apply a clear, performance-linked wage increment policy tied to employee output and skill growth.
- Ensure 50% of employees receive performance-based wage increases annually, recognizing individual contribution and growth.

TARGETS IN ALIGNMENT WITH SDGs

RESPONSIBILITIES

The Human Resources Manager shall be responsible for compiling and maintaining the Living Wage Performance Report in consultation with:

- **Finance Department:** To provide accurate financial and wage-related data.
- **Performance Management Team:** For identifying wage increases linked to skill development and performance.

The final report will be submitted annually to senior management and shared with employee representatives to promote transparency.

MONITORING, REPORTING & TRANSPARENCY

Clifton Export Private Limited is committed to upholding living wage standards through structured monitoring and transparent reporting. Wage data is reviewed annually across all roles and locations to ensure alignment with local living cost benchmarks and internal equity.

Regular wage audits, employee feedback surveys, and wage gap analyses are conducted to assess compliance and identify areas for improvement. Key findings are shared with senior management and used to update wage structures, ensuring accountability and continuous progress.

REVIEW MECHANISM

The living Wage Policy will be reviewed annually by the HR Manager, in collaboration with the Management. The review will evaluate the relevance of the policy in light of:
