INTRODUCTION

Clifton Export Pvt. Ltd., a unit of Clifton Group is dedicated to building a responsible and resilient supply chain that aligns with our broader commitment to ethical business practices, environmental stewardship, and global compliance. As a vertically integrated manufacturer, we oversee every stage of production, from knitting to finishing and packaging, enabling us to embed sustainability and quality controls throughout our sourcing and operational processes.

Our sourcing strategy emphasizes partnerships with suppliers who share our values and meet internationally recognized standards such as GOTS, OEKO-TEX®, REACH, and ZDHC. We are committed to procuring raw materials and services that minimize environmental impact, ensure safe and fair working conditions, and support continuous improvement across the value chain.

Through this policy, Clifton Export Private Limited aims to ensure traceability, promote sustainable material use, reduce social and environmental risks, and foster long-term, transparent relationships with suppliers. In doing so, we seek to meet the expectations of our global clients and contribute positively to the broader goals of sustainable development.

SCOPE

This policy applies to all sourcing and procurement activities at the below given operational site of Clifton Export Private Limited., including raw materials, components, and services. It extends to the entire supply chain, covering suppliers, contractors, and business partners and ensures responsible practices related to labor, environment, compliance, and human rights across all regions of operation.

POLICY DECLARATION

Clifton Export Private Limited, is committed to sourcing materials and services responsibly, with respect for the environment, human rights, and ethical business practices. We expect all suppliers and partners to comply with applicable laws and international standards such as GOTS, OEKO-TEX®, REACH, and ZDHC.

This policy guides our efforts to reduce environmental impact, ensure fair labor practices, and promote transparency and traceability across our supply chain. Through sustainable sourcing, we aim to drive continuous improvement and contribute to a more responsible textile industry.

KEY FOCUS AREAS

- **Environmentally Responsible Procurement:** We prioritize suppliers who actively reduce their environmental footprint through efficient resource use, emissions reduction, and responsible waste management.
- **Upholding Fair Labor Standards:** We require all suppliers to ensure safe working conditions, fair wages, and strict prohibition of child, forced, or exploitative labor across all tiers of the supply chain.
- **Ethical Business Conduct:** Suppliers are expected to maintain compliance with all legal requirements, uphold anti-corruption practices, and operate with transparency and integrity.
- **Partnership for Sustainable Impact:** We collaborate with suppliers to foster innovation, reduce environmental impact, and create shared social value throughout the supply chain.
- **Inclusive & Local Sourcing:** We support local communities and promote supplier diversity by engaging with small, inclusive, and responsible enterprises wherever possible.

OBJECTIVES AND TARGETS

The following targets are set with year 2022 as the baseline year, that reflects our commitment to advancing responsible sourcing practices across environmental, social, and ethical dimensions of our supply chain with targets set to be achieved by year 2027.
