07

07 **SDG Alignment**

08

08 **Roles & Responsibilities****01 Board & Senior Management**

Approve the policy, allocate resources, and review labour and human-rights performance.

02 Human Resources

Implement fair employment practices, maintain grievance channels, and track workforce commitments.

03 EHS & Operations

Maintain safe working conditions, address hazards, and ensure worker training and participation.

04 Procurement & Supply Chain

Apply human-rights due diligence to suppliers, contractors, and service providers.

05 All Employees

Treat colleagues with dignity, report concerns without retaliation, and uphold this policy.

09

09 Monitoring, Reporting & Transparency

Environmental performance is monitored continuously through a centralized EHS dashboard, with KPIs reviewed monthly by site leadership and quarterly by the Executive Committee. Independent third-party audits are conducted annually for ISO 14001 and as required by customers. Findings, progress against targets, and incidents are reported in the annual Sustainability Report prepared in line with GRI Standards and BRSR.

10

10 Review Mechanism & Continuous Improvement

This Policy is reviewed every two years or earlier if there are significant changes in operations, regulations, or stakeholder expectations. The EHS team initiates the review, the Executive Committee approves revisions, and updated versions are communicated to all employees and relevant stakeholders. Feedback collected through employee engagement, customer audits and investor dialogues is incorporated into each revision.
