08 Roles & Responsibilities

01 Board & Senior Management

Approve the living-wage commitment and review progress against wage and benefit objectives.

02 Human Resources

Maintain wage benchmarks, implement equitable compensation, and administer wage-related grievance handling.

03 Finance & Payroll

Ensure accurate, timely, traceable payment and maintain records for compensation and statutory benefits.

04 Line Managers

Communicate compensation practices clearly and escalate concerns affecting employee welfare.

05 Employees & Workers

Use available channels to raise wage or benefit concerns without fear of retaliation.

09 Monitoring, Reporting & Transparency

Environmental performance is monitored continuously through a centralized EHS dashboard, with KPIs reviewed monthly by site leadership and quarterly by the Executive Committee. Independent third-party audits are conducted annually for ISO 14001 and as required by customers. Findings, progress against targets, and incidents are reported in the annual Sustainability Report prepared in

line with GRI Standards and BRSR.

10

Review Mechanism & Continuous Improvement

This Policy is reviewed every two years or earlier if there are significant changes in operations, regulations, or stakeholder expectations. The EHS team initiates the review, the Executive Committee approves revisions, and updated versions are communicated to all employees and relevant stakeholders. Feedback collected through employee engagement, customer audits and investor dialogues is incorporated into each revision.
